

Attention Parents of High School Students

Notice Regarding Disclosure of Student Directory Information to Military Recruiters

Federal law requires All Idaho Public Schools to provide military recruiters with a student demographic profile which lists names, addresses and telephone numbers of our students. Upon request from military personnel we are required to submit said information, unless you have provided us with written notice that you do not want your child(ren)'s information disclosed to the military recruiters. If you are a parent or guardian and you **DO NOT** want your child(ren)'s name, address and telephone number to be provided to military recruiters, please notify Culdesac School in writing. You may return the following slip to school with your student to have them removed from this listing.
