101.3 – Code of Ethics for School Board Members

As a member of the Culdesac School District Board of Trustees, I will strive to improve public education, and to that end I will:

1. Attend all regularly scheduled Board meetings as much as possible, having read my packet ensuring that I am informed about the issues to be considered at the meeting;
2. Recognize that the Board must comply with the Open Meeting Law and only has authority to make decisions at official Board meetings;
3. Make all decisions based on the available facts and my independent judgement, and refuse to surrender that judgement to individuals or special interest groups;
4. Understand that the Board makes decisions as a team. Individual Board members may not commit the Board to any action unless so authorized by official Board action;
5. Recognize that decisions are made by a majority vote and the outcome should be supported by all Board members;

7. Be open, fair, and honest; have no hidden agendas; and respect the right of other Board members to have opinions and ideas which differ from mine;
8. Recognize that the Superintendent is the Board's advisor and should be present at all meetings, except when the Board is considering the Superintendent's evaluation, contract, or salary;
9. Understand the chain of command and refer problems or complaints to the proper administrative office while refraining from communications that may create conditions of bias should a District concern ever rise to the attention of the Board as a hearings panel;

11. Respect the right of the public to be informed about District decisions and school operations;

101.5 – The Curriculum

Curriculum programs will be developed to stimulate the spirit of inquiry and desire for learning. Priority will be given to classroom experiences that create a feeling of self-worth in the student. Encouragement should be given to the development of aesthetic values, the acquisition of practical skills, and to the preparation for adult responsibilities in an increasingly technological global society. Where feasible, objectives for each curricular program should be developed and all teachers work toward achieving those common objectives. The means of achieving these student objectives may be different with each teacher, but the overall objectives should be the same and be measurable.

105.0 PUBLIC PARTICIPATION AT BOARD MEETINGS

105.0 Board Meeting Procedures

The Board, as a legally established arm of the Idaho Legislature, has the statutory responsibility to transact the official business of the school district. As such, School Board meetings are meetings that are held in public, but they are not meetings for the public. In order to ensure the orderly conduct of a meeting, spontaneous or disruptive communication by the audience cannot be condoned. Individuals or organizations desiring to make requests, presentations, or proposals to the Board will be provided with that opportunity at each meeting.

Agenda

The agenda for any Board meeting shall be prepared by the Superintendent and Board Chair. Items submitted by the Board Chair or at least two Board Members shall be placed on the agenda. The clerk, administration, or patrons of the District may also suggest inclusions on the agenda. Such suggestions must be received by the Superintendent at least 7 (seven) days before the Board meeting, unless of immediate importance. Individuals who wish to address the Board must also notify the Superintendent, in writing, of the request. The request must include the reason for the appearance. Citizens wishing to make brief comments about school programs or procedures or items on the agenda need not request placement on the agenda, and must follow the procedure established for public input at Board meetings.

Regular Meeting Agendas

A 48 hour agenda notice shall be required in advance of each regular meeting. Notices and agendas will be posted at various locations throughout the school district, as well as on the front door of the administration building. Notices will also be posted at City Hall and the Post Office in the immediate area. The written agenda for each Board meeting will be prepared and delivered to each Board member at least 3 (three) days in advance of any regularly scheduled meeting. All meeting notices and agendas must be posted on the School District website.

Special Meeting Agendas

Special meetings require a 24 hour meeting and agenda notice. The agenda notice shall include at a minimum the meeting date, time, and place. The written agenda will be delivered to each Board member at least 24 hours in advance of any special meeting. All meeting notices and agendas must be posted on the School District website.

Amending Agendas

An agenda may be amended provided that a good faith effort is made to include, in the original agenda notice, all items known to be probable items of discussion.

Amending the Agenda More than 48 Hours Before a Regular Meeting or 24 Hours Before a Special Meeting:

If an amendment to an agenda is made after an agenda has been posted but 48 hours or more prior to the start of a regular meeting, or 24 hours or more prior to the start of a special meeting, then the agenda is amended upon the posting of the amended agenda.

Amending the Agenda Less than 48 Hours Before a Regular Meeting or 24 Hours Before a Special Meeting:

If an amendment to an agenda is proposed after an agenda has been posted and less than 48 hours prior to a regular meeting or less than 24 hours prior to a special meeting but prior to the start of the meeting, the proposed amended agenda shall be posted but shall not become effective until a motion is made at the meeting and the Board votes to amend the agenda.

Amending the Agenda After the Start of a Meeting: An agenda may be amended after the start of a meeting upon a motion that states the reason for the amendment and states the good faith reason the agenda item was not included in the original agenda posting.

Requesting to Address the Board or An Item On the Agenda

Those who wish to speak on a particular Agenda item will be introduced by the Board Chairperson at the appropriate time during the Board meeting. Speakers may offer objective comments about school operations, programs, or planned programs that concern them. The purpose of the patron input is to give the Board information about a particular topic, and is not a question-and-answer session between the presenter and any Board member or district employee. The Board will not permit any expression in public session of personal complaints about the work of effectiveness of school district personnel. Persons with complaints about school personnel must use the Patron Complaint Resolution Form that can be supplied by the district upon request.

Patrons desiring to address a particular item on the published agenda must use the signup sheet provided in the Board meeting room. The Chairperson will gather the names of those who wish to address any particular Agenda item, decide the order of those who wish to speak, and may restrict input if it becomes repetitive. The time limit for each presenter is 3 (three) minutes. If a group wishes to address a particular Agenda item, the group may have 5 (five) minutes for their presentation in lieu of individual presentations.

Members of the Board and the Superintendent have the privilege of asking questions of any person who addresses the Board regarding and Agenda item. Once patron input has been received, and the Board is deliberating a particular Agenda item amongst themselves, no further patron input will be received unless the Board Chairperson specifically allows such to occur.

Negotiation Meeting Notices

Notice of all negotiation sessions between the District and the local education organization shall be posted at the earliest time practicable on the District's website. Additionally, if time permits, the District shall post notice of the negotiation sessions within 24 hours at the same physical locations the District uses for posting its regular meetings.

Order of Business

The order of business will be determined by the Board Chair and Superintendent with input from the Board. Upon consent of the majority of the Members present, the order of business at any meeting may be changed.

Consent Agenda

To expedite business at a Board meeting, the Board approves the use of a consent agenda, which includes those items considered to be routine in nature. Any item which appears on the consent agenda may be removed by a Member of the Board. It is strongly suggested that any Board Member who wishes to remove an item from the consent agenda give advance notice in a timely manner to the Board Chair and Superintendent. The remaining items will be voted on by a single motion. The approved motion will be recorded in the minutes, including a listing of all items appearing on the consent agenda.

Action Items

All agenda items that require a vote shall be identified on the agenda as such. Final action may not be taken on agenda item added after the start of a meeting unless an emergency is declared necessitating action at that meeting. The declaration and justification shall be reflected in the Board minutes.

Minutes

The clerk shall keep written minutes of all open Board meetings, which shall be signed by the Chair and the clerk. The minutes shall include:

- The date, time, and place of the meeting;
- The presiding officer;
- Board Members recorded as absent or present;
- All motions, resolutions, orders, or ordinances proposed and their disposition;
- The results of all votes, and upon the request of a Member, the vote of each Member, by name;
- Legal basis for recessing into executive session; and
- Time of adjournment.

When issues are discussed that may require a detailed record, the Board may direct the clerk to record the discussion verbatim.

Unofficial minutes shall be delivered to Board Members in advance of the next regularly scheduled meeting of the Board. Minutes need not be read publicly, provided that Members have had an opportunity to review them before adoption. A file of permanent minutes of Board meetings shall be maintained in the office of the clerk, to be made available within a reasonable period of time after a meeting for inspection upon the request.

Minutes of Executive Session

Said minutes shall be limited to a specific reference to the Idaho code subsection authorizing the executive session and sufficient detail to provide the general subject matter to identify the purpose and topic of the executive session. The roll call vote to go into executive session shall be recorded in the minutes. The minutes shall not contain information that would compromise the purpose of going into executive session.

Minutes of Negotiation Sessions

In all negotiation sessions between the District and the local education organization, written minutes will be taken. All documentation exchanged between the parties during a negotiation session, including all offers and counter-offers, shall be retained by the District and shall be subject to public writings disclosure laws.

No business shall be transacted at any meeting of the Board unless a quorum of the Members is present. A majority of the full membership of the Board shall constitute a quorum, a majority of the quorum may pass a resolution.

Meeting Conduct and Order of Business

General rules of parliamentary procedure are used for every Board meeting. The most current edition of *Robert's Rules of Order* may be used as a guide at any meeting. 105.2 - Conduct of Board Meetings

The Board, as a legally established arm of the Idaho Legislature, has the statutory responsibility to transact the official business of the school district. As such, School Board meetings are meetings that are held in public, but they are not meetings for the public. In order to ensure the orderly conduct of a meeting, spontaneous or disruptive communication by the audience cannot be condoned. Individuals or organizations desiring to make requests, presentations, or proposals to the Board will be provided with that opportunity at each meeting.

General rules of parliamentary procedure are used for every Board meeting. The most recent version of Robert's Rules of Order may be used as a guide at any meeting. The order of business shall be reflected on the agenda. The use of proxy votes shall not be permitted. Voting rights are reserved to those trustees in attendance. Speakers may offer objective comments about school operations, programs, or planned programs that concern them. The purpose of the patron input is to give the Board information about a particular topic, and is not a question-and-answer session between the presenter and any Board member or district employee. The Board will not permit any expression in public session of personal complaints about the work of effectiveness of school district personnel. Persons with complaints about school personnel must use the Patron Complaint Resolution Form that can be supplied by the district upon request.

113.0 LOCAL SCHOOL WELLNESS

It is the goal of the Culdesac School District to strive to make a significant contribution to the general well being, mental and physical capacity, and learning ability of each student and afford them the opportunity to fully participate in the education process. The Culdesac School District promotes healthy schools by supporting wellness, good nutrition, and regular physical activity as a part of the total learning environment. The District supports a healthy environment where children learn and participate in positive dietary and lifestyle practices. By facilitating learning through the support and promotion of good nutrition and physical activity, our school contributes to the basic health status of children. Improved health optimizes student performance potential and ensures that no child is left behind.

Healthy eating is demonstrably linked to reduced morbidity and risk of mortality from many chronic diseases.

The Board directs the Superintendent to inform and update the public, including parents, students, and others in the community, about the content and implementation of the wellness policy. Such information may be provided on the District website, through dissemination of student handbooks, or in any other manner the school district may deem appropriate.

Definition

For the purposes of this policy the school day is defined as midnight before to 30 minutes after the end of the instructional school day.

Goals for Wellness Promotion

The District shall review and consider evidence-based approaches in establishing goals for school based activities to promote student wellness. This may include review of the “Smarter Lunchroom” tools and strategies.

To ensure the health and well being of all students, it is the policy of the District to:

1. Ensure that foods sold at school during the school day meet or exceed the nutritional standards required by the USDA’s National School Lunch Program, the National School Breakfast Program, and the Smart Snacks in Schools regulations. Exceptions can be made for infrequent food sales fundraisers that occur no more than the number of times determined appropriate by the Idaho State Department of Education during the school year and are not held during school meal times. Fundraisers will be tracked at each school site by a designee of the Superintendent in charge of compliance at that site;
2. Ensure that non-compliant and non-exempt fundraising food sales will not occur on school grounds during the school day. The District operates under United States Department of Agriculture (USDA) program regulations of the National School Lunch Program, National School Breakfast Program, and the Smart Snacks in Schools regulations. These regulations apply to food sold during the school day in school stores, vending machines, and other venues. (Note: There are many healthy fundraising options available to schools including selling books, fresh produce, school spirit merchandise, or other non-food items during the school day. Fundraising activities involving the sale of food consumed outside of school, such as frozen pizza sales, are exempt from the nutrition standards.);
3. Ensure that celebrations that involve food during the school day be limited to no more than one party per class per month and, that each party include no more than one food or beverage that does not meet nutrition standards for Smart Snacks in Schools. The District will disseminate a list of healthy party ideas to parents and teachers.

[Note: The USDA has no role in regulating foods brought from home, but school districts are required to set nutrition guidelines for foods served at school other than those that are sold. The Smart Snacks in Schools regulations only affect foods that are sold on school grounds during the school day. Time honored traditions like treats for birthdays, or foods at an afterschool sporting event, are not subject to those standards.];

The District shall also take measures to promote nutrition and physical activity, engage in nutrition education, and conduct wellness activities. For this purpose, the District may:

1. Ensure that all District schools become certified as a Healthier US Schools Challenge schools and/or enroll as a Team Nutrition schools;
2. Host at least one health fair each year;
3. Draft and regularly distribute a wellness newsletter for students and parents;
4. Review Smarter Lunchroom Movement best practices and evaluate each school's ability to implement them;
5. Promote healthy eating patterns through classroom nutrition education coordinated with the comprehensive health education program including education, health, and food services;
6. Provide 60 minutes of physical education per week to elementary students and 60 minutes per week to middle school students;
7. Offer a recognition or reward program for students who exhibit healthy behaviors.
8. Start a walking or physical activity club at each school;

13. Offer students taste-testing or menu planning opportunities;
14. Participate in Farm to School activities and/or have a school garden;
15. Advertise and promote nutritious foods and beverages on school grounds;
16. Offer nutritious foods and beverages at lower prices than other foods and beverages;
17. Offer fruits or non-fried vegetables everywhere foods are sold;
18. Use student feedback to improve the quality of the school meal programs;
19. Offer a staff wellness program;
20. Provide District staff with adequate pre-service and ongoing in-service training that focuses on program administration, nutrition, physical activity, safety, the importance of modeling healthy behaviors, and strategies for behavioral change; and
21. Participate in community partnerships to support wellness programs, projects, events, or activities.

Nutrition Standards

To promote student health and reduce childhood obesity, the District requires all schools within the District to comply with the nutrition standards established by the USDA with respect to all food that is available on school grounds during the school day.

Community Participation

The District shall invite parents, students, representative food service staff of the school food authority, teachers of physical education, school health professionals, the Board, school

administrators, and the general public to participate in the development, implementation, and periodic review of this policy.

The school district shall annually make available to the public the content of the policy and an assessment of the implementation of this policy including:

1. The extent to which schools under the jurisdiction of the District are in compliance with the wellness policy;
2. The extent to which the District's wellness policy compares to model local school wellness policies; and
3. A description of the progress made in attaining the goals of the wellness policy.

Methods of providing this information to the public may include developing or disseminating printed or electronic materials to families of school children and other members of the school community at the beginning of the school year, or posting the local wellness policies and an assessment of their implementation on the District or school website. The assessment of the implementation of the policy shall be conducted at least once every three years.
